**FOR IMMEDIATE
RELEASE**
October 20, 2011

DOWNTOWN AREA STREET MAINTENANCE SCHEDULED THROUGH NOVEMBER 18, 2011

Delays and Detours Expected

SANTA BARBARA, CA – October 20, 2011

Now through November 18, 2011, the City of Santa Barbara, Public Works Department will continue annual slurry sealing operations in the Downtown area. During the work, motorists may experience delays and/or detours.

The street maintenance work will continue on weekdays and weekends on the City's downtown streets. Affected streets include: Anacapa, Chapala, Carrillo, Milpas and Haley Streets. Local residents and businesses will receive 72 hour notice from the contractor prior to the start of work on their street.

The City thanks area residents and business owners in advance for their patience and cooperation. For further information, please contact Max Kashanian, Project Engineer at (805) 564-5450 or via email at mkashanian@santabarbaraca.gov.
